

Simple and pretty!

Christmas Star

What do you need?

Coloured paper, scissors, a pair of compasses, a pencil and a ruler;

1

pair of compasses

1

Draw a circle on the coloured paper.

1

2

2

Cut the circle out and fold it in halves three times.

2

3

3

Now cut lots of different angles into the coloured paper.

3

Tip: Make large and small stars. You can stick them on a Christmas card, a Christmas letter or on the window.
