

## Lessons planning: "At the table"

### Introduction:

The teacher points the words on a wall with a laser pointer.

### Application:

The teacher asks:  
Show me your ...  
The students have to flash up their objects.

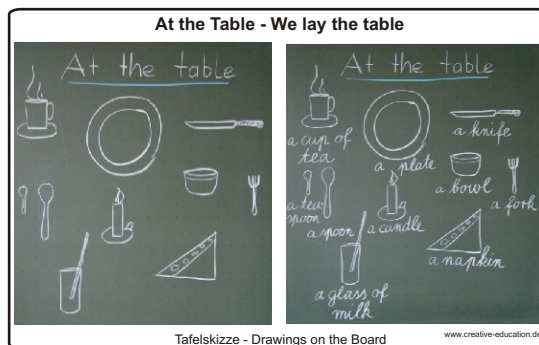

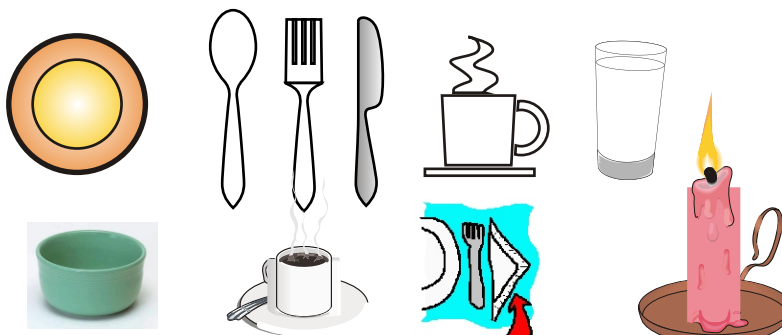

**Reading** the words at the blackboard together (right intonation exercise)

**Writing** the words on the back side of their objects

Application of the words in a **game** (a game to relax a bit at the group room)

Repetition of the words we have learned already:

(plate, bowl, cup, knife, fork, spoon, napkin, candle, coffee, milk, tea;)

The students (pupils) write the names on the back side of their objects.

Game: "My right, right seat is free, please come to me (name) as a spoon" (for instance).
