

**Numbers  
and  
Colours**

**red**

**blue**

**green**

**yellow**

**orange**

**1  
one**

**2**

*1. Cut out the field of the game!*

*2. Cut out the ships and put them on the squares. Now your neighbour guesses like this:*

*Is your ship on blue five?*

*Your answer is:*

*Yes, it is - or -*

*No, it isn't.*

*3. Make a cross in the square you have asked already.*
